RE: FY07-08 Grants

The Rockfall Foundation invites representatives of non-profit organizations, towns, and schools to apply for grants for environmental education activities, planning projects, and student internships. Continuing the philanthropic tradition of Colonel S. Wadsworth, the Rockfall Foundation supports efforts to preserve and enhance Middlesex County's environment and increase public knowledge of and respect for its natural resources. Rockfall's matching grants for all or part of a proposed project or internship typically range between \$500 and \$2,500.

Please note that the application deadline this year is 4:00 p.m., Monday, November 5, 2007. The FY2007-08 guidelines and application form as well as additional information about The Rockfall Foundation are available at our website: www.rockfallfoundation.org. If you have questions, please feel free to contact Executive Director Virginia R. Rollefson at 860-347-0340.

We also invite you to attend an informal workshop to ask questions and discuss your ideas, especially if you are a new applicant. The workshop will be held Thursday, September 27th from 5:00-6:00 p.m., at the deKoven House Community Center, 27 Washington Street, Middletown. RSVP by phone or e-mail to vrr@rockfallfoundation.org.
